poli

At Joli, we design furniture for the way people live today. Fluidly moving between indoors and outdoors, between everyday use and special moments. Rooted in Belgian craftsmanship, our approach brings together precision, creativity, and a deep respect for materials.

This new catalogue introduces a refined selection of designs that respond to contemporary lifestyles. Clean lines, balanced proportions, and thoughtful details define each piece, allowing it to integrate naturally into a wide range of spaces. From intimate dining areas to expansive outdoor settings, Joli furniture is created to feel at home everywhere.

Beyond aesthetics, we focus on comfort, durability, and responsible production. Every table, chair, and lounge piece is made to be used, enjoyed, and to last—season after season.

We invite you to explore the collection and imagine the possibilities.

Furniture should do more than look refined—it should be made to last. By working with high-quality materials such as stainless steel and aluminium, combined with durable tabletops, each design is created to offer both elegance and long-term reliability.

This philosophy extends across the entire collection. From tables to chairs, loungers, and accessories, every piece is carefully developed to balance aesthetics with everyday functionality. The result is a cohesive range of furniture defined by timeless design and lasting comfort.

Rooted in Belgian craftsmanship, the collection offers extensive possibilities for personalisation. A wide selection of finishes, colours, and configurations allows each piece to be tailored to its environment. Whether choosing from existing designs or creating a bespoke solution, every detail is shaped with precision.

Designed and produced in Belgium, the collection continues to evolve. Offering furniture that enhances spaces and adapts effortlessly to modern living, both indoors and outdoors.

innovation at the core of joli customization

At Joli, innovation is not just a part of what we do—it defines who we are. Our passion for research and development (R&D) drives every piece of furniture we create, ensuring that design, durability, and functionality go hand in hand. From concept to final product, we continuously explore new materials, refine our techniques, and embrace cutting-edge technology to push the boundaries of modern furniture design.

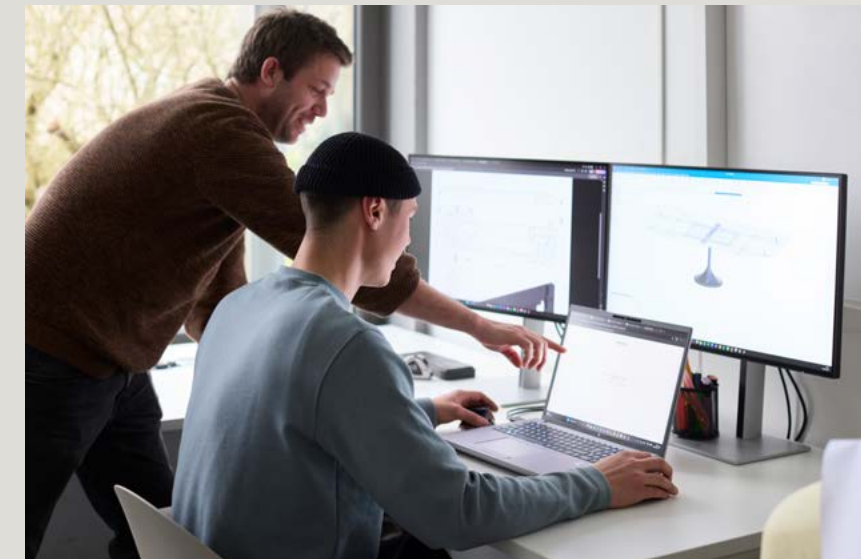

This dedication to innovation also allows us to offer custom solutions tailored to your needs. Whether it's a bespoke table size, a unique finish, or a specific seating configuration, our team works closely with customers to bring their vision to life. We understand that every space is different, and that's why flexibility is at the heart of our process.

As an R&D-driven organisation, we are committed to making even the most complex designs achievable. Our mission is to simplify intricate furniture pieces without compromising on aesthetics or quality. With a broad range of finishes, styles, and customisation options, Joli offers the creative freedom to shape your space exactly as you envision. Whether you choose from our signature collections or embark on a personalised project, Joli brings your vision to life with innovative design and expert craftsmanship.

Let's create something unique together.

john ghekiere

John Ghekiere founded Joli in 1996, turning his passion for crafting metal tables into a strong and recognizable brand. From the start, he understood that a brand goes beyond products—it represents values, quality, and trust.

His vision helped shape Joli's identity, with a clear focus on innovation and the creation of furniture that connects indoor and outdoor living. A strong commitment to local production remains central, with the majority of the collection made in Belgium to ensure lasting quality and sustainability.

John's approach combines craftsmanship with forward-thinking design, always seeking a balance between tradition and modernity.

propeller tables

designed by John Ghekiere

Powerful but meticulously conceived and designed. The Propeller collection is inspired by aircraft propellers. Not just in its shapes and forms. Also, in its energy and stability. The sleek, streamlined dining or wall table exudes peace and strength. Giving you all the space you need. Literally and metaphorically.
